The Directory of Public Vocational Technical Schools, 1986-87

Marliss Johnston, Editor

The third edition of this volume is being announced for publication May 15. It contains updated information on all schools offering vocational-technical courses, including addresses of schools, directors' names and phone numbers, full course and program listings, narrative descriptions of each state's vocational program, and the credits and length of individual courses. The index arranges each occupational field alphabetically through all areas covered in the directory, More than 1,200 schools across the nation were contacted to obtain the data in this volume.

Of interest to counselors, librarians, teachers, personnel officers, and placement advisors, this directory is 350 pages in length, hardbound, and published by the Minnesota Scholarly Press, P.O. Box 224, Mankato, MN 56001.
